

## **Insurance and Incident Reporting**

### **Workers' Compensation**

Premier Medical Texas has workers' compensation coverage from America First Insurance. You can get more information about your workers' compensation rights by calling your Premier Medical Texas Supervisor at (972) 934-3674 or toll-free 888-687-3606. If you need help after hours please call 214-226-4642. If you are injured on the job please report the incident to your job site supervisor ASAP and then immediately after that notify Premier Medical Texas.

### **Professional Liability**

Premier Medical Texas also covers you with liability coverage should there be an on the job incident and/or other claim against you and/or Premier Medical Texas. Please report all job - site incidents to your site supervisor and then immediately after to Premier Medical Texas. Your Premier Medical Texas supervisor will instruct you on what to do next and assist in getting you an incident report.

I have read and understand that I am covered by Premier Medical Texas' insurance and will report all incidents involving injury to myself and/or incidents involved in patient care immediately.

### **Auto Insurance**

Do you carry personal auto insurance with minimum limits as required by the state of your residency? Yes \_\_\_\_\_ No \_\_\_\_\_
